**Please pass this onto everyone;**

We have an alternative for lunch on the 28<sup>th</sup> of January. Come on to the Park by 11:30 to 12:00 and we will cook lunch at the Vulcan Pavilion... Jim and Glenn have volunteered to cook ( I love volunteers ) They want to try something new for the April and September Conferences and we will try it out first at our Board meeting. There will be a \$5.00 minimum donation per person to the AFC for this meal and I am sure it will be excellent. This will save everyone the trouble of finding a place and then making the meeting.

One request; I would like one representative from each Forge to get a general head count of those coming to eat, this includes Blacksmiths, spouses and children. All are welcome, but we do want to insure that there is food, but not waste a lot either. Please e-mail me at [e.m.forge@gmail.com](mailto:e.m.forge@gmail.com) or call and leave a message @ 334-514-1065

Thank you, and look forward to seeing everyone in a few weeks.

**Please pass this onto everyone;**

The Furnace Masters restaurant is closed now... **Everyone will have to get lunch before coming to the Park.** The Park Ranger will keep a head count and Judd will reimburse the Park for our admittance with one check from the AFC. Let the Ranger know who you are with and where you are going. They will not charge you. If there are any problems or miscommunication, just pay the gate fee and get with Judd and myself and we will take care of it.

Allison; please put this in the Bit's as soon as you can.

To everyone; please send this to all and please bring it up in your Forge meetings. ALSO, ALSO, ALSO; do not forget our Iron-In-The-Hat.

Thank you,

**Raymond Head**

I would like to do the meeting like last year. Use the Vulcan pavilion after lunch; 1:00PM on January the 28<sup>th</sup> of 2012. That way we do not have to talk over a lot of noise. **If you do not eat at the Furnace Master** please pay the Park admission fee and keep the receipt. Give it to Judd and the AFC will reimburse anyone that requires it.

Allison; please put this in the Bit's as soon as you can.

To everyone; please send this to all and please bring it up in your Forge meetings. ALSO, ALSO, ALSO; do not forget our Iron-In-The-Hat.

Thank you & Best regards;
